T. M. Pfiffar Esq

Dear Mr Pfiffar:

I cannot understand actions of Gregory every time he sees me he tells me he wants to see me. I have instructed him any time he wishes to see me to call all he has to do is to walk out and I will follow at distance to Street where School house is on which is one block from Main St. I must not twice to day and this evening when the case is out with. Your witnesses ought to Main Street we can be said in Court

anything new I looked
at him, and then he said
I will meet you in some
manner near school I must
then and get Ford waiting.

Now I am not sure
never did such true
agent work nor have any
pictures taken for publics.

Has always avoided
being known or work
and get away with it.

I do not understand
one knowing his business to
talk on main street when
one is so well known.

If I am picked up
I feel I would be useless
to you and your staff

one being known as he is
should guard against
trying to be too important
in getting into conversation
with one who must not
be known.

will say I am
not pleased at his actions.

Yours
Very truly Yours
Stork.

The general manner
around the Court by court attendants
and others that the case will not
reach the jury, and if it does the
verdict will be quick of
aquital; as appearances up to this
time has shown nothing.

I took Jurymen from court
at about 4.15 PM they stopped at Piggotts
drug store on of main & street
Post office is on, & then went
down main at 3 more
to the down Post office street of
which I do not know name
of, as Gregory wanted to see
me as he told me twice to
day I must look to Court house
and say hello coming out
with Gibsons mother & boy.

See other page for
details of actions which I do
not approve of by him,
will be on job tomorrow, as
Jury is final Court will be
in session then
Stork
